

Dissemination of Indonesia: A Textual analysis on the construction of Indonesia in selected print media for youth readership

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=105837&lokasi=lokal>

Abstrak

With reference to Homi Bhabha's concept of dissemination(1994) which suggests that the writing of a nation is a double-writing constructed from pedagogical and performative discourses with the possibility of generating tensions which question....
