Mastering windows NT server 4

Minasi, Mark

Deskripsi Lengkap: https://lib.ui.ac.id/detail?id=106140&lokasi=lokal

----

Abstrak

A reference guide to Windows NT 4, this text includes coverage of Service Packs 5 and 6 as well as the final implementations of the program. It also provides tips and tricks, a section on Internet Information Server and a CD which offers the entire contents of the book in fully searchable form.
