Abstrak

You leave this island with a sight of regret and as long as you live can never forget this Garden of Eden (Vicker A, 1989; cited from Redana, 2002) Long considered Indonesia's safe haven, Bali has always been the country;s premier tourist destination-words apart from the spells of violence that plague the surrounding island. The explosions that rocked the Hindu island moments before midnight Saturday did more than kill dozens and injure scores of innocent barhoppers, tourists and native ... (Juniartha, 2002). This paper describes about ecotourism as differentiation product tourism in Indonesia after Bali October 12, 2002 and its positive role in economic development that can be appeared.
