Abstrak

This paper deals with the work of Abdullah Ibn al-Mutazz, Kitab al-Badi. While there were the challenges against the reputation of Ibn al-Mu'tazz over his role on developing 'ilm al badi on Arabic letters, this work shows that Abdullah Ibn al-Mutazz was deemed as the person whose contribution to the Arabic letters like 'ilm al-badi was unquestionable with regard to the study of Rhetoric and discourse on Arabic language, two mainstreams were commonly recognized, Arab and philosophy of logic derived from Greek, and Ibn al-Mutaz was among the pioneers of Arab linguistics.....
