

Employment discrimination law

McDonald, Janis L., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=115101&lokasi=lokal>

Abstrak

Intended for undergraduate/graduate courses in Employment Law and introductory para legal courses. Integrating cases, theory, and commentary, this book provides students with a discussion of the important issues in employment discrimination law. It gives students access to the key cases and statutes in this area, useful hypotheticals, and more.
