

A first course in quality engineering : integrating statistical and management methods of quality

Krishnamoorthi, K.S., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=115535&lokasi=lokal>

Abstrak

Completely revised and updated, A First Course in Quality Engineering: Integrating Statistical and Management Methods of Quality, Second Edition contains virtually all the information an engineer needs to function as a quality engineer. The authors not only break things down very simply but also give a full understanding of why each topic covered is essential to learning proper quality management. They present the information in a manner that builds a strong foundation in quality management without overwhelming readers.
