

Entertainment law

Epstein, Adam, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=115633&lokasi=lokal>

Abstrak

"Important to the study of entertainment law is the appreciation that the various entertainment industries are often comprised of extremely creative individuals who interact with for-profit business ventures. This can lead to conflict, which has led to litigation, published decisions, changes in law, and so on. An appreciation that entertainment continues to move into American households via computer screens, video games, advanced HDTV broadcasts, and plasma television sets is vital."--Jacket.
