

Berbagai pendekatan dalam mengkaji tasawuf

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=115832&lokasi=lokal>

Abstrak

What might be the relevant approach to study tasawuf? to fully understand sufism, should the scholars experience mystical practices or is it enough to simply study it? if the scholars simply learn sufism as a science, what might be the adequate approach to understand the statements and explanations contained in sufism literature?.....
