Berbagai pendekatan dalam mengkaji tasawuf

Deskripsi Lengkap: https://lib.ui.ac.id/detail?id=115832&lokasi=lokal

Abstrak

What might be the relevant approach to study tasawuf? to fully understand sufism, shoulds the scholars experience mystical practices or is it enough to simply study it? if the scho; ars simply learn sufism as a science, what might be the adequate approach to understand the statements and explanations contained in sufism literature?.....
