

Pengelolaan penyakit busuk pelepah (*Rhizoctonia solani* Kuhn) pada tanaman jagung

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=116225&lokasi=lokal>

Abstrak

Disease control by *Rhizoctonia solani* on a number of plant species has been carried out. Banded leaf and sheath blight caused by *R. solani* on corn has become increasingly severe and economically threatened corn plants in several countries of Asia and other parts of the world.....
