

Manajemen Diklat dalam upaya optimalisasi kinerja pegawai publik

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=117884&lokasi=lokal>

Abstrak

Training is a form of employee development toward achieving the vision and mission of an organization. The process toward achieving vision and mission is inseparable from various challenges such as: technological development, politic, social and the demand for good quality service in order to get the right balance as a result of those challenges, the existence of qualified human resource that meet the required qualification needs to be taken into account in order to obtain the training management.....
