

## Kebijakan produksi dan peredaran produk pertanian hasil rekayasa genetika (PRG) di Indonesia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=118236&lokasi=lokal>

---

### Abstrak

Providing sufficient food at an affordable price is an important problem for the developing countries, including Indonesia. Lack of food could result into a social, economic and political instability of the country and finally causes the fall of the government.....
