

Esensi dan uegensi kaji tindak partisipatif dalam pemberdayaan masyarakat pedesaan berbasis Sumberdaya Pertanian.

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=118241&lokasi=lokal>

Abstrak

It is believed that action research has been numerously implemented for a long time in Indonesia. Nevertheless, it can be generally stated that its implementation was relatively lack in accomodating farmer's aspiration.....
