

The pollutant transport equatin for a steady, gradually varied flow in an open channel network: a solution of high accuracy

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=118412&lokasi=lokal>

Abstrak

The paper is concerned with solving the tranport pollutant problem for a steady, gradually varied flow in an open channel network. The ID advective-diffusive transport equation is solved using the spliting technique.....
