

Earthquake-resistant building: buckling-restrained braced truss-girder moment frames (proposed)

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=118831&lokasi=lokal>

Abstrak

This paper evaluates the inelastic behaviors of four Buckling-Restrained Braces (BRB) and two full scale Buckling-Restrained Braced Truss-girder Moment Frames (BRBTMF) by analytical and experimental means.....
