Abstrak

Tesis ini menganalisis peran kualitas jasa dalam membangun loyalitas pelanggan dealer. Dengan metode regresi linear, diperoleh temuan bahwa kualitas jasa, kepuasan dan loyalitas pelanggan berhubungan tinier positif, artinya peningkatan kualitas jasa akan meningkatkan kepuasan pelanggan dan selanjutnya meningkatkan loyalitas pelanggan. Hal ini memicu dealer untuk terus memperbaiki dan menjaga kualitas layanannya,

.....This thesis analyzed the role of service quality to build customer loyalty. We get some finding by linear regression method that service quality, customer satisfaction and loyalty have linear and positive relationship. Increasing in service quality will make customer satisfaction level increased and then will make customer loyalty increased, This condition will trigger dealer to make continuous improvement for their service quality and maintain it.
