

Etika Global deklarasi parlemen agama-agama dunia (Studi atas respon pemuka agama dan implementasinya di Jawa Tengah)

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=120326&lokasi=lokal>

Abstrak

Modern humanity possess the real possibility of destroying all human life - whether through nuclear or ecological catastrophe. These unique negative realities were possible, however, only because of the correspondingly unique accomplishments of modern or global civilization....
