

Berbagai sengketa hukum yang dapat muncul dari kontrak asuransi serta penyelesaiannya

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=120384&lokasi=lokal>

Abstrak

Legal dispute within insurance, contract may occur because on one hand insurance company doesn't fulfill its obligations to pay the claim; there are different interpretations on the implementation of agreed obligations by parties selling products without Authority's approval insurance coverage more than that of its capacity without doing reinsurance for security; insurance company is suspended, flattering the insurance applicant/customer by falsifying data or invalid information....
