

## Governance of the Management of public debt in Japan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=120460&lokasi=lokal>

---

### Abstrak

This paper deals with the issue of Japan's public debt, particularly from a governance perspective. Japan's public debt continues to follow a rising path mainly due to the fact that, in the harsh economic climate the country has experienced since the 1990s, the government has ended up increasing public sector spending in order to support the Japanese economy.....
