

Pengelolaan perbatasan Indonesia (RI) - Timor leste (RDTL) dalam perspektif kebijakan publik

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=120586&lokasi=lokal>

Abstrak

East Timor's independence gave a direct impact on border management with Indonesia, which has significant political and legal political aspects, not only in term of securiy but also to interest to make the border as the front yard of the country....
