

Menciptakan relasi seimbang antara Dewan Perwakilan Rakyat Daerah dan Pemerintah Daerah: studi kasus di Provinsi Sumatera Selatan dan Sulawesi Utara)

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=120601&lokasi=lokal>

Abstrak

Rivalry marks today's relations between provincial parliaments (DPRD) and governments (Pemda) although both are resulted from similar process of direct elections. This research found that together with the central government (Jakarta), due to their same perception and interest, the Pemda plays role in undermining DPRD position by giving its lacks of response to fulfill DPRD need on sufficient supporting system....
