

Ketidakberpihakan jargon politik terhadap perempuan di Indonesia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=120683&lokasi=lokal>

Abstrak

It has become a reality that a woman is the second class citizen in the society. The role of the woman had not been counted on. In the field of education , economics,social , religious conviction , also politics, woman has alwaysbbeen gazed at an eye....
