

Econometric Analysis of The Impact of Domestic Rice Procurement Policy of Producer Price : The Case of Rice in Bangladesh

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=121402&lokasi=lokal>

Abstrak

This paper investigates the theoretical and practical impact of the government procurement policy on rice price in Bangladesh agriculture. The policy, basically, aims at procuring a targeted amount of rice and wheat at predetermined prices in order to protect...
