

Menbedah Gorontalo sebagai calon "Bintang Timur" pertanian Indonesia di abad 21

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=121421&lokasi=lokal>

Abstrak

It is a dream come true for especially farmers in rural areas if the agricultural development is thoroughly the implemented. It is realized that many many socio-economicscientists are seriously concern about the implementation of agricultural development as most of the agricultural farmers' quality of live is not significantly improved....
