

Dealing with wilders: a personal account about our diplomacy in the Netherlands

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=122117&lokasi=lokal>

Abstrak

Against the backdrop of our young democracy, the conduct of Indonesia's diplomacy in the Netherlands has always been challenging. the majority of Dutch people have good image about Islam and in particular, about their fellow Muslim citizens. There is a strong conscience among communities in the Netherlands to mountain harmony and integration.
