Abstrak

Skripsi ini membahas pemasaran dan pengembangan bisnis rumah sakit di tengah kondisi persaingan yang semakin ketat, digitalisasi dan globalisasi. Penelitian ini ingin melihat gambaran pemasaran dan pengembangan bisnis di Rumah Sakit Ibu Anak Kemang Medical Care pada tahun 2009, ditinjau dari New Wave Marketing (Co-Creation). Metode yang digunakan adalah kualitatif dengan survei deskriptif.

Berdasarkan hasil penelitian, diperoleh bahwa RSIA Kemang Medical Care telah menjalankan konsep New Wave Marketing melalui horizontalisasi pemasaran, word of mouth, dan menggunakan komunitas pelanggan dalam pemasarannya. Dalam pelaksanaan New Wave Marketing ini, rumah sakit perlu untuk meningkatkan fokus pada pembentukan komunitas loyal melalui kegiatan-kegiatannya (terutama Week end @KMC) dan bekerja sama dengan pihak-pihak terkait, seperti provider jaringan internet yang berkualitas.
