The correlation between the new prostitution acts and sexsually transmitted diseases in Korea

Deskripsi Lengkap: https://lib.ui.ac.id/detail?id=127708&lokasi=lokal

Abstrak

The purpose of this study is to analyze the correlation between the new prostitution act and the continous in crease in the numbers of sexually transmitted disease patients since their implementation in 2004, in addition to examining the change in the population of prostitution traders and the trend toward new kinds of sex industries....
