

## Morphometric variability of xanthonema exile (Klebs) silva (Xanthopyta) from Bashkir Pre-Ural region (Russian)

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=127853&lokasi=lokal>

---

### Abstrak

Morphological variability of xanthomena exile (Klebs) silva was studied under natural and cultural conditions. In 23 studied populations the length of filaments and linear dimensions of cells varied in a wide range...
