

Did trade liberalization improve Philippine economic growth ? 1974 - 2003

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128037&lokasi=lokal>

Abstrak

This study examines the link of trade liberalization policy with Philippine economic growth covering the period from 1974 to 2003. Using the arguments of the new endogenous growth theory (Romer, 1986, 1997; Lucas 1988, 1999; Srinivasan,2001), the paper tests the effects of trade liberalization policy on Philippine growth....
