

## Employment promotion programs for single mothers in Japan : 2003 - 2008

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128452&lokasi=lokal>

---

### Abstrak

This paper introduced and evaluates the five employment promotion programs for single mothers enacted from 2003 in Japan. These programs are designed to grant job training to mothers (Prpgram 3 ), to meet comprehensive needs (program 4 ) or motive employers through subsidies (Program 5)..
