

Pemodelan dalam sistem manajemen obat di Puskesmas

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128605&lokasi=lokal>

Abstrak

Drugs stagnation is an effect of poor logistics systems in the health services industry, particularly at the Public Health Centre. This was evident as drug stagnation at the "Puskesmas Mentikan KOTA Mojokerto" for the 2005 year is stated at 15,44%....
