

Intergenerational transmission of poverty in West Sumatera: an analysis based on the 2006 National socioeconomic survey

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128632&lokasi=lokal>

Abstrak

Poverty is one obstacle for economic development. therefore, poverty alleviation is one crucial aspect to be considered to enhance development. Unfortunately, there is a phenomenon that poverty is transmitted from the older to the younger generation. That is way a child from poor family tends to be poor when he/she grows up. To break up this vicious cycle, it is important to understand the patterns of intergenerational transmission of poverty.
