

Membangun spirit jiwa dan watak kewirausahaan dalam konteks global

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=129204&lokasi=lokal>

Abstrak

There are three pillar's which give direction of development country,s. Those pilar are politcus, entpreneur, and intellectualist. The successful of entrepreneur depend's on knowledges, skills, and the values of entrepreneur. The development of spirit and character of entrepreneurship,s have stimulated succesful of entrepreneurship. As we known the development of Indonesia entrepreneurship has begun since 1980, but until now muist be pushed...
