

Kemiskinan dan paradigma : mencari resultan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=129351&lokasi=lokal>

Abstrak

Poverty could be seen as the son of development. At one side development is intended to create welfare and wellbeing for the human kind, but at the other side it high deman, on the contrary creates poverty? The answer lies in the paradigm used as guidance and framework for development....
