

Organisasi pemerintah provinsi DKI Jakarta reformasi birokrasi yang tertunda

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=129936&lokasi=lokal>

Abstrak

Ineffective tendency in organizing the execution of government activities of Province of DKI Jakarta is caused by misinterpretation of working unit function and inaccurate division of organization function which make appearance of nonrational magnitude of organization and the elaboration of function into the tasks relatively non-operational and emerge an non-optimal organization's performance restructuring organization is necessary to be done and must be the priority in order that organization which already non-erariona which already greater in magnitude can be rationesed and can be mor functional....
