

Sendang sriningsih obyek wisata spiritual di Prambanan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=129973&lokasi=lokal>

Abstrak

Sendang (spring) Sriningsih is a spiritual tour object that has a beautiful scenery because it is located between two mountain areas, Mentoro and Ijo. The other attraction from this sendang is that in the night before Thursday Kliwon (Javanese calendar system) and Friday Kliwon, many pilgrims come from various places to lead a religious there....
