

Community analysis in english for specific purposes (ESP)

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=130352&lokasi=lokal>

Abstrak

This paper is aimed to briefly discuss the use of community analysis in relation to course design of English for Specific Purposes (ESP). Community of ESP refers to the English users with different background of disciplines and needs. The needs and whises of ESP users and potential users are important to ESP design program....
