

Pemberdayaan Perempuan di Majelis Taklim : Studi Kasus Majelis Taklim An-Nur Cibinong Bogor

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=135327&lokasi=lokal>

Abstrak

Majelis Taklim is a social institution and non-formal education and also a container in coaching women. In it lasted activities to increase the piety of pilgrims, religious knowledge, inculcate noble character and skills other fields. As container non-formal education, the board has considered taklim role, function and great potential in improving human resources, especially women. Assembly activities not only merely taklim provide religious knowledge, but although not optimally, majelis taklim already started to touch the empowerment of women in other fields such as social and economic.
