

Chaucer's attitude towards the religious conventions of this time as expressed in certain of the Canterbury tales

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20158273&lokasi=lokal>

Abstrak

We have now seen something of the state of religion in the time of Chaucer. All England was ostensibly Roman Catholic, but in the period under discussion many people had wandered away from the faith and strayed far from the Church and its rules. That Geoffrey Chaucer was aware of this can be guessed from the ironic way in which he delineates many of the religious figures in his Canterbury Tales...
