Abstrak

Tesis ini membahas tentang penerapan peraturan perundang-undangan mengenai waralaba dalam perjanjian waralaba antara pihak PT Imperium Happy Puppy dengan Pihak X dan menganalisis bagaimana bentuk perlindungan hukum bagi para pihak yang terlibat dalam perjanjian waralaba antara pihak PT Imperium Happy Puppy dengan Pihak X. Penelitian ini bersifat Normatif dengan pendekatan sinkronisasi hukum vertikal dan juga didukung dengan pendekatan kasus.

Berdasarkan hasil penelitian diperoleh hasil Perjanjian Waralaba antara Pihak PT Imperium Happy Puppy dengan Pihak X telah memenuhi syarat dan ketentuan seperti yang diatur dalam peraturan perundang-undangan. Dalam penelitian ini ditemukan adanya beberapa klausula perjanjian yang memberatkan Pihak X sebagai penerima waralaba (franchisee).

.....This research uses normative law methods, a research method based on normative law stated in the Indonesian Law. This thesis discusses on the application of the law on franchise system in Indonesia based on the agreement between two parties. The first party is PT Imperium Happy Puppy and the second party is X and the agreement was then analyzed on how the law protection for both parties are being applied.

The results of the research showed that the agreement between both parties has fulfilled the requirements and closures as stated in the Indonesian Law. However, it was found out that there were several agreement clauses that are burdening the second party in this case the X as the franchisee.
