<b>ABSTRACT</b><br>

This Research used normative juridical methode with secondary data as its data resources, were obtained by study document. The problems were how distinguished between Normal Non Performing Loan (NPL) and Criminal Non Performing Loan (NPL) and how determined bank director responsibility on Normal Non Performing Loan (NPL) and Criminal Non Performing Loan (NPL). From the result, can be concluded that ; first, Normal Non Performing Loan (NPL) was Non Performing Loan (NPL) wasn't caused by bad will from bank and debtor, but Criminal Non Performing Loan (NPL) was Non Performing Loan (NPL) was caused by bad will from bank and debtor. Second, on Normal Non Performing Loan (NPL) , bank director could justified as civil, but on Criminal Non Performing Loan (NPL), bank director could justified as criminal.
