ABSTRAK

Skripsi ini membahas mengenai sistem honorifik dalam bahasa Korea yang dibatasi pada bentuk penghormatan terhadap subjek (subject honorification), mitra tutur (addressee-related honorific), dan objek (object honorification). Penelitian dilakukan dengan metode tinjauan pustaka dan menggunakan pendekatan kualitatif. Dari hasil tinjauan ditemukan bahwa honorifik terhadap subjek ditandai dengan partikel subjek - [kkésô] dan penanda honorifik [si]; honorifik terhadap mitra tutur ditandai dengan pemakaian akhiran kalimat (ending) yang berbeda-beda sesuai tingkat ragam dan jenis kalimatnya; dan honorifik terhadap objek ditandai dengan partikel objek ? [kké] dan verba khusus.

ABSTRACT

The focus of this study is to discuss about the Korean honorific system constrained to the form of subject honorification, addressee-related honorific, and object honorification. This study is using a literature-review method and qualitative approach. In conclusion, it found that subject honorification can be identified by the use of subject particle -[kkésô] and honorific marker [si]; while addressee-related honorific can be identified by the use of variant ending according to the speech level and sentence-style; and object honorification can be identified by the use of object particle ? [kké] and some special honorific verb.
