ABSTRAK

Analisis Yuridis Atas Pertimbangan Hukum Majelis Pengawas Daerah (MPD) Notaris Kota Palembang dengan Majelis Pengawas Wilayah (MPW) Notaris Sumatera Selatan Dalam Memutuskan Suatu Perkara Di Wilayah Sumatera Selatan (Kasus MPPN No: 12/B/Mj.PPN/XI/2010 Tanggal 02 Desember 2010)

Abstract

The role and authority of the notary is important for law traffic in social life in addition the notary behavior and actions in carrying out the functions authorized of Notary which is vulnerable with some manipulation that can cause harm to people, so that the agency of guidance and supervision of the notary needs to be more effected. This thesis discusses the role of MPD and MPW in an effort to reduce violations of the code of conduct / breach of the implementation of the notary office and his review in deciding the case. This study aims to determine the implementation of supervisory duties of the notary by the MPD in Palembang and MPW in South Sumatra. The study was a qualitative study. The results suggest that the council inspectors having the knowledge and understanding of the Notary especially in making of deed.
