Abstrak

Skripsi ini membahas keberlakuan putusan provisi arbitrase internasional SIAC mengenai penghentian gugatan (Anti-Suit Injunction) yang diajukan permohonan pelaksanaannya di Indonesia. Penelitian ini menggunakan metode pendekatan normatif dengan metode analisis data deskriptif kualitatif. Hasil penelitian menyarankan bahwa hakim perlu memberi perhatian lebih pada Konvensi New York terkait permohonan pelaksanaan putusan arbitrase internasional di Indonesia.

.....The focus of the study is the enforceability of SIAC international arbitration award on the issue of provisional anti-suit injunction filed for application of enforcement in Indonesia. This study uses a normative approach with descriptive qualitative data analysis method. The results suggest that judge should give more consideration to New York Convention regarding enforcement of international arbitration award in Indonesia.
