ABSTRACT

In a government's national program which is a 1000 high-rise towers national construction movement. The low income housing is given based on the Country's Minister Regulation of Society's Residence No. 7 year 2007. It states that there is a grouping for those whose income is between low until middle level. PPJB Kebon Jeruk Tower low income housing has been signed by all parties. Afterwards, there is an additional cost expense because there is a floor reduction or permission of Coefficient Building's Width Surface based on Governor of DKI Jakarta Province regulation no. 136 year 2007 which is renewed with Governor of Dki Jakarta Province no. 27 year 2009. According to the obtained data, there is no KLB reduction at Kebon Jeruk Tower low income housing. Therefore, an additional cost expense is mistaken. Upon that act, consumers are protected by Consumer's Protection Regulation no. 8 year 1999 due to the incorrect information. PPJB has a mandatory power because it has been accepted by entire parties as a former agreement.
