Abstrak

Prinsip keagenan di Indonesia berbeda dengan konsep keagenan di negara yang menggunakan sistem Anglo Saxon. Keagenan model secara khusus tidak dikenal di dalam ranah hukum Indonesia. Prinsip dari keagenan di Indonesia menggunakan Kitab Undang-Undang Hukum Dagang dan juga Kitab Undang-Undang Hukum Perdata mengenai perjanjian. Perjanjian keagenan dalam keagenan model berbeda juga dengan perjanjian keagenan pada umumnya. Perjanjian keagenan model di Indonesia merupakan peleburan antara tiga jenis perjanjian yang memiliki kemiripan karakteristik, yaitu perjanjian kuasa, perjanjian perwakilan, dan perjanjian kerja. Dengan penelitian ini diharapkan dapat menjawab mengenai masalah hukum keagenan model di Indonesia.

.....The principal of agency in Indonesia is different than the concept of agency in countries that are using Anglo Saxon law system. Model Agency is not specifically acknowledged in Indonesia's law system. The principal of agency in Indonesia is based on Indonesia Commerce Law and Indonesia's Civil Law about contract. The contract in model agency is different than the common agency's contract. The contract of model agency in Indonesia is a mixture of three kinds of contract that are having characteristic similarity, which are power of attorney, representative contract, and labour contract. With this research, there is hope to answer the legal problems about model agency in Indonesia.
