Abstrak

Timor Timur menjadi salah satu arena bagi penerapan kebijakan luar negeri Amerika Serikat. Hal ini tampak pada saat Indonesia mulai mengintegrasikan wilayah tersebut ke NKRI, pemerintah AS memberikan dukungan penuh, baik politis maupun security assistance. Namun ketika tokoh komunis Ramos Horta - yang didukung oleh East Timor Action Network (ETAN) yang berbasis di AS - memperjuangkan kemerdekaan Timor Timur, pemerintah AS memberi peluang yang sangat luas bagi lepasnya Timor Timur dari NKRI. Hal ini disebabkan oleh adanya perubahan kebijakan AS dalam menghadapi ancaman dan tantangan global yang berorientasi pada keamanan nasionalnya.

.....East Timor is one of the arenas for U.S. foreign policy implementation. This matter seemed when Indonesia began to integrate the territorial to Republic of Indonesia, the U.S. Government fully supported both politically and security assistance. But when Ramos Horta - who supported by East Timor Action Network (ETAN) that based in the USA - struggle for East Timor independence, the U.S. Government gave widely opportunities for the released of East Timor from Republic of Indonesia. This situation occurred due to there was a changing on U.S. foreign policy in dealing with global threat and challenging which oriented to its national security.
