Abstrak

Penelitian ini bertujuan untuk meneliti pengaruh penerapan Corporate Governance terhadap harga saham. Penerapan Corporate Governance diukur dengan menggunakan efektivitas dewan komisaris dan komite audit serta pengungkapan Corporate Social Responsibility. Pengukuran harga saham menggunakan harga rata-rata saham tahunan. Sampel yang digunakan untuk penelitian ini adalah perusahaan manufaktur yang terdaftar di Bursa Efek Indonesia pada tahun 2010 dan 2011. Penelitian ini menemukan bahwa efektivitas dewan komisaris dan komite audit serta pengungkapan Corporate Social Responsibility memiliki pengaruh positif dan signifikan terhadap harga saham.

.....This research aims to know the impact of Corporate Governance implementation to stock prices. Corporate Governance implementation is measured by board of commissioner and audit committee effectiveness and also Corporate Social Responsibility disclosure. Stock price is measured by annual average share price. Samples were taken for this research are manufacturing companies listed in the Indonesia Stock Exchange of 2010 and 2011. This research found that board of commissioner and audit committee effectiveness and also Corporate Social Responsibility disclosure have a positive and significant impact to stock prices.
