Abstrak

Skripsi ini membahas mengenai Tutty Alawiyah sebagai seorang ulama yang memberikan pengaruh kepada masyarakat melalui aktivitasnya dalam bidang sosial, pendidikan dan politik. Keaktifannya mulai terlihat sejak kecil saat ikut terlibat dalam kegiatan-kegiatan yang dilakukan oleh kedua orangtuanya. Beranjak remaja, Tutty mengikuti beberapa sekolah keterampilan, seperti keterampilan berbahasa dan kerajinan tangan disela-sela aktivitas sekolahnya. Setelah menikah dan memiliki anak, Tutty tetap berperan dalam memimpin beberapa organisasi dan melibatkan keluarganya dalam lembaga yang dipimpinnya. Pendidikan serta dorongan dari keluarga dan lingkungannya menjadi modal untuk Tutty membangun karir serta berkontribusi dalam forum nasional dan internasional.

.....This thesis discusses Tutty Alawiyah as an ulama who gave influences the society through her activities in social, educational, and politic. Her activism had been seen since she was a child and was involved in many activities carried out by her parents. Growing up, Tutty participated in some vocational schools, such as language skills and handy craft skills, during her study at school. After she married and had children, Tutty still played roles in leading some organizations and involved her family in the organizations she led. Educational background and support from her family and surroundings were the main factors for Tutty to move along her career path as well as contribute in national and international forum.
