Abstrak

Preferred by nursing students and faculty alike, Saunders Q&A Review for the NCLEX-PN® Examination is written and organized to address specific Client Needs and Integrated Processes in the 2008 NCLEX-PN test plan. The text and accompanying CD-ROM contain 3,200 practice questions--including all types of Alternate Item Format questions--that include comprehensive rationales for both correct and incorrect options, test-taking strategies for each question, and a textbook page reference for further explanation. The companion CD also provides computerized testing practice in study, quiz, or exam modes, and allows you to choose from 21 different content categories to focus your study sessions.
